WELCOME

Welcome to the 2020 VIRTUAL Barristers' Ball! To ensure the health and safety of our members, the 2020 Barristers' Ball is a livestream virtual event scheduled for Saturday, August 8, 2020 at 8:00 pm. The silent auction opens for bidding Monday, August 3 at 9:00 am and will close at 8:15 pm on Saturday, August 8.

While this year's Barristers' Ball looks different, it is still dedicated to recognizing the exceptional efforts of Nebraska lawyers and supporting the Nebraska Lawyers Foundation. Your participation in the online auction and livestream events supports programs like the Volunteer Lawyers Project (VLP), the Nebraska Lawyers Assistance Program (NLAP), the Rural Practice Initiative (RPI), SOLACE, and scholarships for the NSBA Leadership Academy and LSAT Prep Scholarship Program.

The 2020 Robert M. Spire Pro Bono Award winner is:

- **Hon. Teresa Luther**, Grand Island

The 2020 Visionary Award winners are:

- **Ann Mangiameli**, Omaha
- **Paul W. Snyder**, Scottsbluff
- **Karine Sokpoh**, Omaha

See the next page to learn more about our award winners' contributions and join us in recognizing them at the livestream event.

It takes many people working together to produce the Barristers' Ball. We thank the Barristers' Ball Committee members, whose names appear elsewhere in this program, as well as all those who donated the wonderful items for the live and silent auctions. Most of all, we thank YOU, because your participation in our virtual Barristers' Ball supports the work of the Nebraska Lawyers Foundation.

We hope we will be able to come together again and celebrate in-person on April 17, 2021.

2020 Barristers' Ball Co-Chairs,

Jason and Jami Doele

AWARD WINNERS

2020 Robert M. Spire Pro Bono Award

Honorable Teresa K. Luther, Grand Island

The Honorable Judge Luther began the practice of law in 1976, practicing in Lincoln, Hastings and Kearney. In 1994, she became a judge of the District Court, 9th Judicial District. Judge Luther has been a pillar of the central Nebraska legal community since 1980. Throughout her career, Judge Luther has been committed to ensuring equal access to the justice system.

Early in her career, Judge Luther was a professor at the University of Nebraska College of Law. Judge Luther also served on numerous judicial committees for both the Supreme Court and Nebraska District Judges Association. She mentored new judges from across the state through Nebraska's Judicial Branch Education program for several years, training many of the judges who are on the bench today.

Judge Luther was appointed Vice Chair of the Nebraska Supreme Court Pro Se Committee in 2001 known as the Self-Represented Litigation Committee. Judge Luther partnered with Creighton Law School's Legal Clinic, UNL College of Law's Legal Clinic, the Nebraska Domestic Violence Coalition, and Legal Aid of Nebraska to create Nebraska's first Self-Help Divorce forms. Since the development of the first set of forms, Judge Luther has been instrumental in the development of many family-related forms which are provided as a public service to assist people who are handling their own legal matters and otherwise unable to access to the judicial system.

Judge Luther was instrumental in supporting the Volunteer Lawyers Project by assisting and guiding the Hall County Bar Association's Self-Help Desk, ensuring the provision of pro bono legal services to those who could not afford it. Her leadership with the self-help desk focused on the guiding principal of helping people access the courts and justice.

2020 Visionary Awards

Ann C. Mangiameli, Omaha

Ann has worked creatively and collaboratively to establish and run Nebraska's only Medical Legal Partnership: the Health, Education, and Law Project (HELP) at Legal Aid of Nebraska.

Mangiameli has practiced law in Nebraska for almost three decades. In that time, she has been a private practitioner and partner, a professor in Poverty Law at Creighton University School of Law, and worked at Legal Aid of Nebraska. Not only is her career remarkable because of her legal acumen, but also because she is a thoughtful leader and manager.

In addition to dedicating her career to nonprofit legal services, Ann is an active VLP Volunteer by acting as a mentor to attorneys interested in doing pro bono work and by volunteering on Nebraska Free Legal Answers.

AWARD WINNERS

2020 Visionary Awards

Paul W. Snyder, Scottsbluff

A partner at Douglas, Kelly, Ostdiek, Snyder, Ossian, Vogl, & Lookabill, Paul has been practicing law in Nebraska since graduating from the University of Nebraska College of Law in 1975. Mr. Snyder is receiving this award for his incredible contributions to his community and the legal profession.

In addition to being a community leader in Scotts Bluff, Paul has served in the NSBA House of Delegates for twenty-five years and actively takes pro bono cases from the Volunteer Lawyers Project. Perhaps most notably, Paul serves as Co-Chair of the Rural Practice Initiative. His dedication and leadership in this position has led to dozens of law students and young attorneys deciding to practice in greater Nebraska.

Karine E. Sokpoh, Omaha

Karine E. Sokpoh graduated from Creighton University School of Law. Sokpoh, an NSBA Leadership Academy Graduate, has her own law firm, Sokpoh Law Group, LLC, based out of Omaha and practices in the areas of immigration, family law and intellectual property. In addition to being a practicing attorney and owning her own business Sokpoh is a Board Member of the Women's Fund of Omaha, the Vice President of the League for African Advancement, a Committee member of the Common Fund of the Heartland, on the Executive Committee for the NSBA Immigration and Juvenile Law Sections, a Program Chair of the Robert Spire Inns of Court, and past President of the Midlands Bar Association. She also served in the NSBA House of Delegates from 2013-2017.

Furthermore, Sokpoh is active in pro bono legal service. For VLP alone Sokpoh volunteers on Nebraska Free Legal Answers, at various free legal clinics throughout the year, at the Douglas County Self Help Center, and as a mentor to new attorneys interested in doing pro bono and accepts pro bono cases.

YOUR DONATIONS SUPPORT

The mission of the Nebraska Lawyers Foundation is “to serve the public and legal profession by securing contributions dedicated to the improvement of the legal profession and the administration of justice.” Contributions to the Nebraska Lawyers Foundation support the Volunteer Lawyers Project (VLP), the Nebraska Lawyers Assistance Program (NLAP), the Rural Practice Initiative, (RPI), SOLACE and scholarships for the NSBA Leadership Academy and the LSAT Prep Scholarship Program. Here is some more information about how your support makes a difference:

- VLP – Approximately 300,000 Nebraskans, or 16% of the state’s population, are income-eligible for services from civil legal aid and legal service providers. In 2019, VLP and its network of volunteer lawyers helped more than 7,500 persons access justice through direct case placement, assistance at one of five Self Help Centers located in county courthouses, and Nebraska Free Legal Answers, www.ne.freelegalanswers.org, a virtual clinic that allows volunteers to do pro bono online, providing limited representation to low-income residents statewide.
- NLAP – The Nebraska Lawyers Assistance Program (NLAP) is a network of lawyers and judges who understand and work hard to help our colleagues in need. NLAP provides confidential support, consultation and treatment referral for stress, burnout, depression, anxiety, alcohol and drug use disorders, cognitive issues, gambling addiction and other mental health conditions. The mission of NLAP also includes education and proactive resources for lawyers, judges and law students to build stress management tool, resiliency and good mental health.
- LSAT Prep – For many first-generation college students and other historically underrepresented groups, the cost of an average LSAT Prep Course is beyond their means. The LSAT Prep Scholarship Program covers the cost of an LSAT Prep Course and the LSAT exam for students applying to law school in Nebraska and who demonstrate economic need.
- RPI – There are 11 counties in Nebraska with no lawyers and 19 more counties with three or fewer lawyers. The Rural Practice Initiative seeks to address the lack of attorneys in rural areas of the state by connecting law firms in greater Nebraska with law students and associates seeking clerkship and employment opportunities. To date, RPI has placed 24 lawyers and 22 law clerks.
