

Nebraska State Bar Foundation 2022 Fellows

Fellows are nominated and selected based upon their dedication to improving the administration of justice, leadership in the profession, civic service, integrity and Foundation support. The Bar Foundation is a charitable and educational organization, administering Civics Education programs for the public including the Judge Lyle Strom High School Mock Trial Program, We the People: The Citizen & The Constitution, Law Day Job Shadowing for 5th graders, Constitution Day activities, and the High School and College Outreach for Oral Arguments.
